#### **About Attune Systems**

Attune Systems' solutions reduce file management complexity for enterprise storage environments while slashing operating costs and increasing scalability. The company's flagship product, the Maestro File Manager, is a file virtualization appliance that helps IT administrators discover, analyze, manage and optimize their existing, heterogeneous file storage resources without impacting end users. File virtualization is the low-risk, high-impact first step towards implementing an effective File Area Network (FAN). Attune's investors include Alloy Ventures, GF Private Equity Group, LLC, QTV Capital, Rock Creek Capital, RWI Ventures, Shea Ventures, and Shoreline Venture Management.
