

Attune Systems Customer Temple Independent School District to Present on File Virtualization at Storage Networking World Spring 2008

Attune to Participate in the Microsoft Partner Pavilion at Storage Networking World

Santa Clara, Calif. – April 2, 2008 – Attune Systems, Inc., a provider of enterprise-class file virtualization solutions, today announced that one of its customers, Temple Independent School District, will be a featured end-user at Storage Networking World, Orlando, Florida, April 7-9, 2008. The session entitled “File Virtualization: A School District’s Way of Managing Unstructured Data” will be presented by John Greiner, IT manager/technology consulting lead at the Temple Independent School District, on Monday, April 7, 2008, 3:45 p.m. to 4:30 p.m. local time.

During this session, participants will learn how the latest file virtualization technology helped Temple Independent School District manage significant amounts of unstructured file data by optimizing existing resources while increasing the return on investment (ROI). The presenter will also explain how to easily search, migrate, delete, move, and copy files by various criteria across multi-vendor environments, and also how to create storage tiers based on the stored information while reducing backup windows.

Show participants can also view demonstrations of the Attune Systems file virtualization product line at the Microsoft Partner Pavilion.

About Attune Systems

Attune Systems solutions reduce file management complexity for enterprise, government, and education storage environments while slashing operating costs and increasing scalability. The company’s flagship product, the Maestro File Manager, is a file virtualization appliance that helps IT administrators discover, analyze, manage, and optimize their existing, heterogeneous file storage resources without impacting end users. File virtualization is the low-risk, high-impact first step towards implementing an effective File Area Network (FAN). Attune’s investors include Alloy Ventures, GF Private Equity Group, LLC, Quicksilver Ventures, Rock Creek Capital, RWI Ventures, Shea Ventures, and Shoreline Venture Management.
