

Service Management Group Chooses the File Virtualization Solution from Attune Systems

Mainline and Attune Deliver File Management Solution to Worldwide Leader in Business Intelligence and Customer Metrics Solutions for Retail and Restaurant Industries

Santa Clara, Calif. – April 3, 2008 – Attune Systems, Inc., a provider of enterprise-class file management solutions, and Mainline Information Systems, a leading IBM Premier Business Partner, today announced that Service Management Group (SMG), the market leader in business intelligence and customer metrics solutions for worldwide retail and restaurant brands, has chosen the Attune Systems file management solution. SMG has selected the Maestro File Manager™ in a high-availability cluster configuration to help the company keep up with its growing data storage needs.

“We are pleased to work with Mainline Information Systems to help SMG benefit from the latest file virtualization solutions in their efforts to optimize their unstructured data environments,” said Alan Kessler, Attune’s chief executive officer. “I know they are now able to plan for their ongoing data growth through a better understanding of their current Windows environment via the reporting capabilities of our software, as well as the simple, yet comprehensive and non-disruptive data management solution we are offering today.”

About Attune Systems

Attune Systems solutions reduce file management complexity for enterprise, government, and education storage environments while slashing operating costs and increasing scalability. The company’s flagship product, the Maestro File Manager, is a file virtualization appliance that helps IT administrators discover, analyze, manage, and optimize their existing, heterogeneous file storage resources without impacting end users. File virtualization is the low-risk, high-impact first step towards implementing an effective File Area Network (FAN). Attune’s investors include Alloy Ventures, GF Private Equity Group, LLC, Quicksilver Ventures, Rock Creek Capital, RWI Ventures, Shea Ventures, and Shoreline Venture Management.
